Dear PAM Member

PROPOSED NEW PAM CODE OF CONDUCT AND GUIDELINE TO THE PAM CODE OF CONDUCT

At the 8th meeting of PAM Council 2020-2021 on 26 March 2021, PAM Council has approved the proposed new updated PAM Code of Conduct. The PAM Code of Conduct has been in existence since the early formation of PAM and forms a fundamental tenet for PAM and provided within our PAM Constitution & Bye-Laws.

The updated PAM Code of Conduct maintains all the same existing principles of good conduct and behaviour upheld by our Members. In addition, the updated PAM Code of Conduct sets out more specifically our commitment as a professional organization to uphold respect for environment, heritage and community well-being.

The PAM Code of Conduct is now restated in a more easily readable format for the benefit of all members especially new and younger Members, industry colleagues and the general public. To facilitate clearer interpretation to Members, the Code is now officially appended with a “Guideline to the PAM Code of Conduct”.

The new PAM Code of Conduct remains consistent with the Lembaga Arkitek Malaysia’s Code of Conduct as set out in the Architects Act 1967 (Act 117) and Architect Rules 1996.

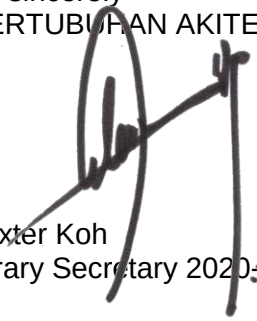
The Code contains eight underlying principles which all members shall follow:
1) Faithful discharge of responsibilities; (2) Remuneration; (3) Advertising and soliciting; (4) Involvement with other trades; (5) Partnership with other person; (6) Honour and integrity; (7) Professional development and training; and (8) The community and environment.

Please find attached the new PAM Code of Conduct and its Guidelines together with this notification for your perusal.

Pursuant to Clause 8.19 of the PAM Constitution, the new PAM Code of Conduct shall be binding on the members of the Institute after thirty days of this notification, unless any fifty Corporate Members notify in writing to the Honorary Secretary, to require an Extraordinary General Meeting to be convened for the purpose of considering, confirming or revoking the updated PAM Code of Conduct. If no such notice is received by the Honorary Secretary, the new PAM Code of Conduct shall be constituted and included as PAM Bye-Laws under Section 15.0.

Thank you.

Yours sincerely
for PERTUBUHAN AKITEK MALAYSIA



Ar Dexter Koh
Honorary Secretary 2020-2021
