

## GUIDELINES

*This grant is an initiative to support research-focused architectural solutions and create research networks connecting practitioners and academia. Supporting research culture in architecture education would also serve as a catalyst to increase research skills and literacy. The outcome of the research will be disseminated through various platforms within PAM and its related networks.*

### **Introduction**

One or two grants [up to a maximum of RM10,000.00 (Ten Thousand) awarded in total] will be awarded to any research related to an Architecture Program. The research also can be part of their coursework required under Design Studio. Priorities [not limited] for 2021 will be given to the following cluster niche;

- i. Housing
- ii. Urban studies
- iii. Innovative & transformable architecture
- iv. Cultural, heritage & civilization
- v. Pandemic impact on architectural education

Duration: 12 months (1 year)

Budget: Maximum RM 10,000.00 per program for one (1) year

Final Submission: 1. Research Summary on Method and Findings (max 20 pages)  
2. Two (2) Publication on Malaysia Architectural Journal (MAJ)  
3. Research Finding presentation on the PAM Academic Discourse (date will announce later)

The grant may be utilized for purposes contributing to the research of the applicant[s]. Successful applicants will be expected to submit a brief report on how the grant is to be utilized.

### **Eligibility**

PERG2021 is open to all Architecture Schools or Programs submitted by an INDIVIDUAL or a GROUP. The application must be led by a full-time academic staff registered with PAM. There is no limit to the number of team members.

### **Schedule**

06 September 2021 : Open for registration

01 November 2021 : Submission of applications by 11.59 pm

15 December 2021 : Announcement of the awarded grants

26 December 2022 : Submission of completed research

*\*all dates are subject to change*

Applicants will be required to present the proposed research to PAM prior to the award and after completing the research.

### **Evaluation and Decision**

The submissions will be evaluated by a three (3) members Evaluation Panel who will recommend PAM for the award.

Submission must contain the following;  
*[To be used as a guide, an applicant may add additional information]*

| <b>A: Applicant's Details</b>     |   |
|-----------------------------------|---|
| A(i)                              | Name of Applicant   |
| A(ii)                             | PAM Registration No   |
| A(iii)                            | University / Institution  |
| A(iv)                             | Contact Details   |
| A(v)                              | Address   |
| A(vi)                             | Other Researchers   |
| A(vii)                            | Academic Publication for the for the last 5 year  |
| <b>B: Research Details</b>        |   |
| B(i)                              | Title   |
| B(ii)                             | Keyword   |
| B(iii)                            | Cluster Niche   |
| B(iv)                             | Location of Research  |
| B(v)                              | Duration of Research  |
| B(vi)                             | Executive Summary   |
| B(vii)                            | Detail Planning   |
|                                   | (a) Research Background   |
|                                   | (1) Problem Statement   |
|                                   | (2) Research Questions  |
|                                   | (3) Research Objective  |
|                                   | (b) Methodology   |
|                                   | (1) Description of Methodology  |
|                                   | (2) Flow Chart of Research Activites  |
|                                   | (3) Research Activities Timeline (Start & End Date)   |
|                                   | (c) New findings/Knowlwdge  |
|                                   | (d) Impact on Society & Nation  |
| <b>C: Budget [of total grant]</b> |   |
| A(i)                              | Cost breakdown  |
| <b>D: Declaration</b>             |   |
| A(i)                              | (a) All information stated here are accurate, PAM has right to reject or cancel the offer without prior notice if there is any inaccurate information given<br>(b) Application of this research is presented for the PERG2021<br>(c) All the information stated here is original work and PAM has right to reject or cancel the offer without prior notice if there is any inaccurate information given |
