

WARISAN KOTA KITA

PAM Photo Hunt 5.0

RULES & REGULATIONS

CATEGORY

The category of prize for the “Warisan Kota Kita - PAM Heritage Photo Hunt 5.0” is **Photographer**.

THE PHOTOS

1. Photos must be taken on the day of competition (28 October 2023).
2. Participants may use any type of digital camera to shoot photographs for this contest.
3. Each team has to answer all the questions in photo images. One photo answer per question.
4. The photo must portray the best or most creative presentation of the subject in question.
5. Only JPEG format is accepted, no RAW files.
6. Images **MUST NOT** be altered with any image editing software. In-camera cropping or enhancement is allowed.

THE SUBMISSION

1. In order to speed up the photo submission process, all teams may bring own equipment for image transfer and selection like notebook PC, thumb-drive, card reader, etc. Please charge the batteries for your equipment as there won't be sufficient electrical plug-points at the ending point. Bring your own power bank.
2. Pre-select your images, rename the files according to the question numbers and copy them to a thumb drive or memory card before you proceed to the downloading counter.
3. Check file numbers/images carefully before submitting, no changes will be entertained after submission.
4. Participants must fill up the team details on the envelope provided, insert the thumb-drive/memory card with photo hunt answers and pass to the designated submission counter.
5. Counter opens for SUBMISSION only during designated time.
6. Submission time will be announced during the briefing session prior to the hunt.
7. Only one representative from the team to submit the images at the downloading counter.
8. Only one set of answers is allowed from each team.

THE PHOTO HUNT TRAIL

1. Participants will be given one route map and one set of questions. You may use WAZE or google map for navigation. Read the directions and questions carefully.
2. Adhere to road safety guidelines; do not put yourself/others in danger.
3. Love our natural surroundings and our animals, do not hurt them.
4. Be courteous and be a good citizen.
5. Control your time well as there are many more questions towards the end. Allocate time for you and team members to discuss, select, transfer and check your photos before submission.
6. And most of all have time to enjoy!

Lost your way? No worries.. you can message at the group 'PAM Photo Hunt 5.0' on WhatsApp. The WhatsApp group will be created on the event day.

REPRODUCTION RIGHTS OF ORGANISERS

The organisers reserve the rights to reproduce and exhibit the winning images in all media, printed and on- line without payment. However, the copyright of the images will be retained by the photographers.
